**Team biography:**

Garry Wilkinson

Business Relationship Manager

Garry is an experienced Corporate & Business Banker having worked in financial services for almost 30 years. The last 20 years have been spent solely in the Corporate & Business Banking and Commercial Property Lending sectors. He began his career with Barclays and after 19 years joined Allied Irish Bank (GB) as a Business Development Manager in 2007.

Most recently Garry was the Commercial Lending Manager for Market Harborough Building Society where he built and developed a successful Commercial Property Lending team and commercial loan portfolio. Prior to this he was a Commercial Lending Manager with Norwich and Peterborough Building Society, part of the Yorkshire Building Society Group.

Garry has an in-depth knowledge of Corporate & Business Banking and Financial Services which enables him to deliver tailored banking solutions to a wide range of customers.
