James Heath

Chief Financial Officer

James is a highly experienced finance executive with a track record of over 25 years in banking, SME financing, risk, regulation, funding and treasury.

As CFO and a founding director of Cambridge & Counties Bank, a provider of SME financing, he built their finance, reporting, treasury and prudential risk management processes. He also implemented new finance, treasury and ALM systems.

Prior to that, James spent 14 years at Close Brothers Group plc, primarily focussed on SME lending. As Finance Director of the group's bank, James successfully led the finance and funding strategy through the financial crisis.

Most recently James was CFO at ABN AMRO Bank UK where he strengthened the finance and tax functions to support the Group's international growth strategy.
